Build Me Up, Buttercup - The Foundations

Intro: C E7 F G (x2)

Chorus:

Why do you build me up -build me up- Buttercup, baby
 Just to let me down -let me down- and mess me around
 And then worst of all -worst of all- you never call, baby
 When you say you will -say you will- but I love you still
 I need you -I need you- more than anyone, darlin'
 You know that I have from the start
 So build me up Buttercup,
 Don't break my heart

E7

Verse:

"I'll be over at ten," you told me time and again
 But you're late, I wait around and then
 I went to the door, I can't take any more
 It's not you, you let me down again

Pre-Chorus:

-Hey, hey, hey!- Baby, baby, try to find
 -Hey, hey, hey!- a little time and I'll make you mine
 I'll be home, I'll be beside the phone waiting for you... Ooo-oo-ooo, ooo-oo-ooo

Chorus

Verse:

To you I'm a toy but I could be the boy you
 Adore, if you'd just let me know
 Although you're untrue,
 I'm attracted to you all the more. Why do I need you so?

Pre-Chorus

Chorus

Fireflies - Owl City

Verse

G C
You would not believe your eyes
F F
If ten million fireflies
Lit up the world as I fell asleep
'Cause they'd fill the open air
And leave teardrops everywhere
You'd think me rude But I would just stand and stare

F C G
I'd like to make myself believe
F C Em F
That planet Earth turns slowly
F C
It's hard to say that I'd rather stay
F G Am
Awake when I'm asleep
F C G
'Cause everything is never as it seems

Verse

'Cause I'd get a thousand hugs
From ten thousand lightning bugs
As they tried to teach me how to dance
a foxtrot above my head
a sock hop beneath my bed
a disco ball is just hanging by a thread

Chorus

F C G
I'd like to make myself believe
F C Em F
That planet Earth turns slowly
F C
It's hard to say that I'd rather stay
F G Am
Awake when I'm asleep
F C G
'Cause everything is never as it seems
When I fall asleep

G C F
Leave my door open just a crack
- Please take me away from here -
'Cause I feel like such an insomniac
- Please take me away from here -
Why do I tire of counting sheep
- Please take me away from here -
When I'm far too tired to fall asleep

To ten million fireflies
I'm weird 'cause I hate goodbyes
I got misty eyes as they said farewell
But I'll know where several are
If my dreams get real bizarre
'Cause I saved a few and I keep them in a jar

Chorus

Chorus

Final Chorus:

F C G
I'd like to make myself believe
F C Em F
That planet earth turns slowly
F C
It's hard to say that I'd rather stay
F G Am
Awake when I'm asleep
F C G G C
Because my dreams are bursting at the seams

“This Land Is Your Land” by Woody Guthrie

Chorus:

F C
This land is your land, this land is my land

G7 C
From California to the New York island,

F C
From the redwood forest to the Gulf Stream waters;

G7 C
This land was made for you and me.

Verse 1:

As I was walking that ribbon of highway
I saw above me that endless skyway;
I saw below me that golden valley;
This land was made for you and me. *[Chorus]*

I've roamed and rambled and I followed my footsteps
To the sparkling sands of her diamond deserts;
And all around me a voice was sounding;
This land was made for you and me. *[Chorus]*

When the sun came shining, and I was strolling,
And the wheat fields waving and the dust clouds rolling,
As the fog was lifting a voice was chanting:
This land was made for you and me. *[Chorus]*

As I went walking I saw a sign there,
And on the sign it said "No Trespassing."
But on the other side it didn't say nothing.
That side was made for you and me. *[Chorus]*

In the shadow of the steeple I saw my people,
By the relief office I seen my people;
As they stood there hungry, I stood there asking
Is this land made for you and me? *[Chorus]*

Nobody living can ever stop me,
As I go walking that freedom highway;
Nobody living can ever make me turn back
This land was made for you and me. *[Chorus]*
